## 8 Applicant Signatures + Certification

The undersigned authority certifies that the goods described above originate in the country or countries shown in box 3 \*

I, the undersigned,

- APPLY for the issue of a certificate of origin indicating the goods described above originate in the country shown in box 3

- DECLARE that the particulars given in this application and the supporting documents and information furnished to the competent authorities with a view to the issue of this certificate are correct, that the goods to which such documents and information relate are those in respect of which this application is made, that the goods fulfil the conditions laid down by the rules concerning the common definition of the concept of the origin of goods

- UNDERTAKE to furnish, at the request of the competent authorities, such additional information and supporting documents as may be required for the issue of the certificate.

## 10 Declaration

TO BE COMPLETED IN BLOCK CAPITALS \* (from reverse side of paper application)

The applicant must declare the following additional information relevant to the origin of the goods described above. This information forms part of declaration.

Tick appropriate box/boxes below and supply the additional information in the space provided:

- The goods were manufactured/produced (delete as appropriate) in the United Kingdom wholly from United Kingdom materials or components by the company named below. ☐
- The goods whilst not comprised wholly of United Kingdom components or materials, are entitled to be considered as of United Kingdom origin by virtue of the economically justified substantial process which has occurred in the United Kingdom, as indicated below. ☐
- The goods are of the foreign origin declared above as indicated by the documents listed below and attached to this application (e.g. foreign certificate of origin, certified invoice, customs declaration or other documents (specified)). ☐

Additional information on goods production \* (complete in BLOCK capitals and add as many as required)
